(Quorum 30% 52 in 2006 = 16)

Meeting Commenced: At 7:14 PM with Vice Pres Mike- Opening and Greetings

Secretary's Report: Dave read minutes of Dec 4/06. M/S Dave/Nick to accept. Carried

Treasurer's Report: Bruce reported that as at Dec 31 – 18 open and 1 Junior members, 2 add'l open in Jan. As at Jan 8 – Available balance - \$1808, Keys – \$215, Filed improvement - \$34, Contingency - \$1090. Bank balance - \$3147. M/S Bruce/Butch to accept. Carried

Correspondence: Thank you note to Michelle of Tim Hortons for donuts at New Years Day Fun Fly.

### Old Business:

Club Crests, Caps and decals – Dave has for sale - costs are \$10, \$16 and \$1.50 @ respectively

Nick announced that he would not be taking part in any extra activities

Storage Building – ~~Nick~~ – Pete – Larry reported that he would draw up plans using the dimensions and quantity of donated sheets of material from Dofasco.

Security Committee – nothing new

Noise Mitigation Comm. – nothing new

Shed – Tarp for Carport – reported last meeting, but no action plan discussed. Mike will price a new “blue tarp” at Princess Auto and storage box at Wal-Mart.

New Year's Day Fun Fly at the Field – approx. 14 members and 5 guests attended

Stoney Creek Aerodrome As clarification was requested, a motion was presented and revised at length to add the procedure to Standing Resolutions as follows. Member wanting to fly at the Aerodrome, must have permission from the owner of the Aerodrome and have a radio monitor present, must go to the Field and place frequency pin – with a note, make test flights within 1½ hours and return to Field to remove frequency pin and note.

### New Business:

Agenda of events 2007      *Note 31 members present*

IMAC – June 2 & 3 – Nick indicated that the Lions Chip Wagon was deemed unsafe and wouldn't be available this summer. He went onto say that a food permit, hot water, etc would be required. A show of hands showed 5 Mike M., Ralf, Mark, Ken, and Cliff willing to work the weekend. When asked to show who would be willing to host the IMAC; 9 in favour and 7 were opposed. Because of the lack of commitment, Ken will a) confirm date b) come up with a list of tasks for next meeting. The IMAC will then be presented to the club for consideration.

GLMAAE – Aug 18 & 19 – Nick has informed Chairman Mike that the Chip wagon would not be available. Same requirements as above. A show of hands showed 6 - Mike M, Peter, Ken, Karl, Dave T., Cliff willing to work the weekend. Again because of the lack of commitment from the membership, this will be brought forward at the next meeting.

Big Brother's Day – Only 4 members showed support – Dave T., Mike M., Ken, Cliff. Dave T. said he would Chair the event if he had help. Dave will contact the Big Brothers to find out available dates and report back to next meeting

Mall Show – 6 members showed support. Cliff will be asked to investigate further.

Fun Flies – July 14 with rain date of Jul 15 was set. No one indicated they would chair the event.

Instructors – The same 11 Instructors from 2006 were appointed for 2007.

Liability signage from MAAC Dave showed the sign and indicated that the Zone Director – Roy Rymer – may have further input later. Should be posted to warn visitors at any “public” event. Signs given to Cliff who will need clarification from Roy and/or MAAC.

New flyers – Dave to call MAAC for clarification. He found that if a new flyer wanted to ‘try out flying’, and if he was with a qualified instructor with a “buddy box”. The instructor's coverage would apply to any liability.

Show and Tell: Jim Risidor warned about the dangers of tension on battery leads, then showed a Sukoi ARF - paid \$219 at Hobby craft.

Nick Eveley has new HOTZ for sale \$140, needs receiver only.

Ed Schneck showed a beautiful Swedish Spigot jet, weighs in at 14 lbs, equipped with air retracts, powered by a 91 OS fan engine.

Hans Hawacker has 2 for sale. A 1975 Racer for \$40.00 and a Hanger 9 Ultra Stick 120 size for \$200.00

Mike Milos had a partially rebuilt (and lightened) Kangke ARF. 85" wingspan, powered by a 52cc Revolution engine.

Education: Pete showed an easy aid to placing rubber bushing and brass grommet using a small shaft screwdriver. Also when testing the receiver after a crash, use an electric engraving tool against the receiver and servos – no movement of servos should be detected – otherwise indicates a cracked receiver or damaged servo.

Draws: Show and Tell – Jim Risidor - \$25.00 from Hobby Hobby.

50-50 – Butch Davis - \$ 24.00

Announcements:

**Dues are due.** Renewals must be paid by Feb 28<sup>th</sup> or a \$20.00 late fee will be assessed.

Adjourn M/S John Lyon/Peter

Carried at 9:20 PM

Next Meeting: Mon Feb 5, 2007 at 7:00pm.

Place: Optimist Hall, Stoney Creek, Ontario
